Angelo Baracca (ed.)

History of the Development of Physics in Cuba

The development of an advanced scientific system
in an underdeveloped country

TABLE OF CONTENTS

<i>Introduction</i>	3
<i>The development of University Physics in Cuba, 1816-1962</i>	
José Altshuler, Angelo Baracca	5
[XXI Congress of History of Science, México, D.F., July 8–14, 2001, Symposium on “Comparative studies in the rise of research in modern physics in Latin America and the Pacific rim countries”.]	
<i>The development of Physics in Cuba during the sixties and seventies of the 20th century: an integrated approach.</i>	
<i>The formation of an advanced research system in an underdeveloped country</i>	
Angelo Baracca, Víctor Fajer, Víctor Bruno Henríquez	15
[XXI Congress of History of Science, México, D.F., July 8–14, 2001, Symposium on “Comparative studies in the rise of research in modern physics in Latin America and the Pacific rim countries”.]	
<i>Cincuenta años de Física en la Universidad de Oriente (Santiago de Cuba)</i>	
<i>Fifty years of Physics in the Eastern University (Santiago of Cuba)</i>	
Luis Méndez Pérez, Angelo Baracca	27
[<i>Revista Cubana de Física</i> , 18 (2), 146-154 (2001).]	
<i>La enseñanza de la física en Cuba, desde la Colonia hasta 1959</i>	
José Altshuler, Angelo Baracca	39
<i>Llull</i> (Zaragoza), 27, 557-608 (2004).	
<i>El despegue de la física en Cuba desde 1959 hasta la década de los setenta: un enfoque abarcador</i>	
Baracca A., Fajer V. y Henríquez B.	75
[<i>Revista Cubana de Física</i> , in press.]	
<i>List of Publications on The History of Physics an Cuba</i>	
Angelo Baracca	95
