About the Conference

International Conference on Advances in Smart Materials – 2024 (ICASMs- 2024) is a multidisciplinary event aiming at uniting academicians and young researchers to share their ideas and knowledge. This will augment the present state of knowledge in the respective fields of study for social development and economic prosperity. The conference aims to establish an open debate forum through this platform by gathering of academicians, young scientists and researchers.

Thrust Areas

- ENERGY STORAGE MATERIALS AND DEVICES
- OPTO-ELECTRONIC MATERIALS
- CRYSTAL GROWTH AND APPLICATIONS
- NANO, 2-D AND GRAPHENE BASED MATERIALS
- POLYMER/CERAMIC / DIELECTRIC / COMPOSITE MATERIALS
- MODELING AND SIMULATION OF MATERIALS AND DEVICES
- THIN FILM DEVICES
- BIO MATERIALS
- MAGNETIC / OPTICAL/ FLUORESCENT MATERIALS
- RADIATION SHIELDING MATERIALS

Call for Abstracts

The Abstract of the research paper should be submitted through e-mail to snc.icasms@gmail.com. Interested authors are requested to submit full length manuscript on research paper in MS-Word including paper title, name of authors, affiliation and e-mail address of the corresponding authors. The font should be Times New Roman of size 12 with 1.5 line spacing.

All accepted abstracts will be published in the conference proceedings with ISBN / ISSN number

About the Madurai

Madurai is an energetic, ancient city on the Vaigai River in the South Indian state of Tamil Nadu. Its skyline is dominated by the 14 colorful gopurams (gateway towers) of Meenakshi Amman Temple. Covered in bright carvings of Hindu gods, the Dravidian-style temple is a major pilgrimage site. Millions attend the processions and ceremonies of April's Chithirai Festival celebrating Meenakshi and Lord Vishnu.

About the College

Saraswathi Narayanan College came into existence in July 1966 in this ancient citadel of learning wholly due to the munificence, breadth of vision and love of learning Thiru. L. Narayanan Chettiar and Thirumathi. Saraswathi Narayanan had in founding the Narayanan Chettiar Trust in 1957. This college is a post-graduate college affiliated to the Madurai Kamaraj University and has been sponsored by the above trust which was formed with the twin objectives of promoting education and providing relief to the poor and the needy.

About the Department

The Department of Physics was established in 1966. Initially, Physics was taught to students pursuing the Pre-University Course (PUC) until 1978. In 1983, an Undergraduate B.Sc., Physics major programme, was introduced under an aided programme. Since the Academic year 1998, a self-financed M.Sc., Physics Programme has also been offered.
